HigherEdJobs

Assistant/Associate/Full Professor of Marketing

Institution:	**Gulf University for Science and Technology**
Location:	Mishref, Kuwait
Category:	Faculty - Business - Marketing and Sales
Posted:	10/16/2014 (Reposted Job: Initially posted on 09/29/2013)
Type:	Full Time

Kuwait's first private university, Gulf University for Science & Technology (GUST), seeks research active faculty members in Marketing (open rank) with proven research in peer-reviewed publications. Successful applicants must hold a PhD from an internationally recognized university in the field of primary teaching responsibility. The State of Kuwait does not recognize degrees from on-line universities. Proven research and publication record or strong potential. Appointments at advanced rank require a current appointment at that rank with a research and publication record meeting GUST standards.

GUST is an English language, American-style university aggressively pursuing AACSB accreditation. Salaries are AACSB competitive. Kuwait has no taxes. The university provides a housing allowance, public and private health insurance, education benefit for children, annual home leave and an end of service gratuity in lieu of retirement.

Kuwait is a safe and comfortable living environment. It is the oldest democracy in the Middle East. There are good global airline connections and a vibrant expatriate community. Many private schools for children provide quality education in various international models (American, British, etc.).
