

EMPLOYMENT OPPORTUNITY

Postdoctoral Fellow

Manning School of Business

The Manning School of Business, Acadia University, located in beautiful Wolfville, Nova Scotia, Canada, seeks qualified applicants for a temporary appointment as a Postdoctoral Fellow (Marketing) to support and conduct research in marketing and innovation management areas.

Duties: The appointee will be expected to perform research under the direction of Dr Harish Kapoor (Professor, Marketing). The candidate will work on the on-going research projects as well as able to initiate/continue working on their own.

Qualifications: The candidate must have a PhD degree in business/marketing/psychology (or other cognate areas.) The candidate must be proficient in designing and conducting experimental and field research.

Term: This position is available, initially, for one year, subject to the budgetary approval. Further extension will depend on funding situation.

Salary: \$36,000 per annum (+ benefits), less mandatory deductions.

Applications should be sent via **e-mail** to harish.kapoor@acadiau.ca by **April 11, 2019**. Please submit a cover letter, current CV, names and contact information of two references. You are welcome to submit your representative work to date. Should you require any additional information, please contact Dr Kapoor via email.

We thank all applicants in advance but advise that only those selected for an interview will be contacted. Acadia University reserves the right not to fill this position.
