

Assistant Professor (Tenure Track), Marketing - Business and Entrepreneurship

Institution:	Columbia College Chicago
Location:	Chicago, IL
Category:	Faculty - Business - Marketing and Sales
Posted:	02/22/2018
Type:	Full Time

Business and Entrepreneurship is seeking applications for one **tenure-track faculty** position focused on **Marketing** beginning August, 2018. This individual will have the opportunity to lead the Marketing BA Program as coordinator. With more than 100 students, the Marketing BA covers topics such as brand management, social media platforms, market research, digital media strategy, and data analytics.

Tenure-track, assistant professor appointments are offered to the most qualified persons who seek to become long-term members of the Columbia College Chicago faculty. Tenure-track faculty are expected to excel in the following three evaluative areas: Teaching and Teaching Related Activity; Scholarly or Creative Endeavor; and Service to the College, profession, and community

Business and Entrepreneurship is a vibrant mix of 100 full-time and part-time faculty educating students for careers launching and managing creative businesses, cultural institutions, and their own entrepreneurial ventures. Business and Entrepreneurship offers ten distinct BAs: Arts Management with a concentration in Film Business, Advanced Management, Design Management, International Arts Management, Live and Performing Arts Management, Marketing, Media Management, Music Business, Sports Management, and Visual Arts Management. Business and Entrepreneurship also offers a Master of Arts Management degree. Students learn to appreciate the value of the creative sector; to understand and assess the economic, social and political climate in which arts organizations operate; and to anticipate and overcome challenges while seizing opportunities for growth.

Columbia College Chicago is an urban institution of undergraduate and graduate students

that offers a rigorous education in the creative and media arts with a foundation in the liberal arts. The added benefit is a course of study in business and entrepreneurship preparing students to launch and thrive in their professional creative careers.
