Summary

The Coppin State University College of Business invites applications for a full-time tenure-track Management position beginning Fall 2020. Successful applicants will demonstrate an ability and commitment to teaching, recruiting students, advising student organizations, making intellectual contributions to the field, professional service, grant writing, professional development, and meeting the instructional standards of the department, school, and university. As a provider of both a traditional classroom-based degree and a completely online degree in management, applicants should demonstrate proficiency in both methods of delivery. The successful candidate will also participate on departmental, college, and university committees. This is a 10-month position beginning in August 2020. The College of Business is accredited by ACBSP.

Job Responsibilities

- Teach 12 credit hours of undergraduate courses day or evening and/or online courses.
- Engage in scholarly research and publications.
- Should be proficient in using online platforms and technology.
- Participate in professional development activities that advance knowledge and skills within the discipline.
- Participate in community service activities on behalf of the college.
- Provide institutional support that may include curriculum development, accreditation efforts, committee assignments, attendance at commencement or other activities that are college-wide or specific to the division/department of the faculty member.

- Represent the department to internal and external stakeholders and partners.
- Meet ACBSP accreditation standards for faculty.
- Support events/activities that will promote and enhance the image of the department and College of Business.

Education

- Ph.D. in Management or DBA with concentration in Marketing.
