Deadline	Open until filled
Date Posted	October 10, 2018
Type	Tenured, tenure track
Salary	Not specified
Employment Type	Full-time

Barney Barnett School of Business and Free Enterprise at Florida Southern College invites applications for a full-time, tenure track faculty member for fall 2019 to teach statistics and quantitative methods and select marketing courses. The specific need is for knowledge and experience in the following: Applied Business Statistics and Spreadsheet Modeling and Quantitative Business Decisions. The normal teaching load is three (3) four-hour courses per semester. Faculty members are expected to be actively engaged with students outside of the classroom.

QUALIFICATIONS: The ideal candidate will possess a PhD in Marketing, although other disciplines will be considered including statistics, data analytics, informatics, and operations management, or a closely related field, and will be classified as a "Scholarly Academic" based on AACSB standards and the School's faculty qualifications policy. Teaching excellence, engaged learning, interdisciplinary cooperation and an applied orientation and collegiality are highly valued and expected of all Florida Southern College faculty members.

Florida Southern College is a teaching institution that is known for engaged learning and that encourages and supports scholarly activity among its faculty.

To apply: Applications should include your current curriculum vitae, names and contact information for three professional references, and a cover letter indicating your interest in the position and copies of graduate transcripts.

Applications will be accepted until the position is filled.
