stone architecture, lush verdant woods and landscaped gardens, provides an idyllic environment to engage in management studies, academics and learning. IIMB has world-class infrastructure that facilitates excellence in teaching, research, consulting and other professional activities.

Located in India's high technology capital, IIMB is in close proximity to some of the leading corporate houses in the country, ranging from information technology to consumer product companies, giving it the added advantage of integrating classroom knowledge with practical experience.

Established in 1973, the Institute has since then built on its base of highly accomplished faculty, world-class infrastructure and motivated student body to emerge as one of the premier institutes for management education and research, promoting managerial excellence in the country. IIMB strives to achieve excellence through partnerships with industry, and leading academic institutions, the world over. IIMB's vision is to be a global, renowned academic institution, fostering excellence in management, innovation, and entrepreneurship for business, government and society. IIMB's mission: "We nurture leaders and entrepreneurs by imparting holistic, and innovative education that is transformative. We create impact through thought leadership."

The long-duration post graduate programmes of the Institute comprise the Post Graduate Programme in Management (PGP); the Post Graduate Programme in Enterprise Management (PGPEM); the Post Graduate Programme in Public Policy and Management (PGPPM); the one year full-time Executive Post Graduate Programme in Management (EPGP), and the Fellow Programme in Management (FPM), which is a doctoral programme. All these programmes are very highly rated and IIMB alumni occupy senior managerial and academic positions around the world.

Our efforts for strengthening our research and teaching have paid handsome dividends by enhancing our international reputation. Our PGP, Executive PGP and Executive Education Programmes are all very highly placed in global rankings by the Financial Times, UK; QS World University Rankings, USA; and Eduniversal, Paris.

IIMB was re-accredited by the EFMD Quality Improvement System (EQUIS) for a further period of five years in 2016. The five-year accreditation, highest that EQUIS confers, is a testimony to the fact that the evaluating team was confident about IIMB's ability to sustain its efforts undertaken to achieve excellent standards in education, internationalization and research. EQUIS is a global school accreditation system run by the European Foundation for Management Development (EFMD) that specializes in higher education institutions of management and business administration. The fundamental objective of EQUIS, linked to the mission of EFMD, is to raise the standard of management education worldwide.

In 2018, IIMB has been ranked in the top 25 globally in the QS World University Ranking, for Masters in Management. IIMB's Executive Post Graduate Programme in Management (EPGP) is ranked among the Top 35 by the Financial Times Global MBA Rankings 2018. IIMB is ranked No 2 in the NIRF 2018 List of

Management schools in India by the Ministry of Human Resources Development. In 2017, IIMB has been ranked in the top 5 in Asia-Pacific and top 30 globally in the Financial Times Masters in Management Rankings. In 2017, IIMB is ranked the best business school in Central Asia by Eduniversal, Paris. IIMB also received the 'Asia Pacific HRM Congress Awards 2017' Award for being an Organization with Innovative HR Practices, in September 2017.

IIMB has always been a hub of innovative activity and is always on the lookout for opportunities to collaborate with the industry as well as other academic institutions the world over. The N.S. Raghavan Centre for Entrepreneurial Learning is a catalyst for entrepreneurial activity and a well-known incubation centre for early start-up ventures.

A feature that sets apart IIMB from other B-schools is the carefully selected mix of students so that students can leverage from each other's experience in addition to theoretical studies in the classroom, thereby creating a truly enriching learning experience.

IIMB also has a large Student Exchange Programme with several partner universities across North America, Europe and Australia. As the global business scenario gets increasingly complex and dynamic, IIMB prepares students to manage and lead in such dynamic business situations by providing a diverse and challenging environment where they can learn, grow and emerge, ready to lead and inspire.
