

Research-oriented position in Marketing

Insper Institute of Education and Research offers full-time, research-focused positions in Marketing. Candidates should engage in high-quality teaching and cutting-edge research applied to relevant problems faced by managers and policymakers.

Applicants must have a Ph.D. in Marketing, Business, Economics, or related fields. This year's School priority areas are marketing strategy, marketing analytics, sales management and retail management. Excellent candidates in all other areas, however, are welcome.

The applicant must have a Ph.D. by the starting date of the job and willingness to engage in the school in a full-time basis. Applications for all career levels (junior or senior) are encouraged.

Insper is a top Brazilian research and education school located in São Paulo, a leading business hub in Latin America. The school holds the triple crown of accreditation (AACSB, AMBA and EQUIS), and most of its full-time faculty members has a track record of publication in prestigious journals in the fields. Wage and benefits include competitive salary, optional retirement plan, academic career, support for research and travel. Insper is an equal opportunity organization.
