Licensure(s)/Certification(s)**Department/Program & College Description**

The Debbie and Jerry Ivy College of Business at Iowa State University, established in 1984, conducts and shares research to educate tomorrow's business leaders so they are prepared to deal with multi-disciplinary, global, technological, ethical and diversity challenges. The college offers undergraduate, graduate and PhD programs and is accredited by The Association to Advance Collegiate Schools of Business (AACSB International). Less than five percent of business schools worldwide receive this accreditation. Additional information can be found at <http://www.business.iastate.edu>.

About Iowa State University and the Ames Community

[Iowa State University](#) is classified as a Carnegie Foundation Doctoral/Research University-Extensive, a member of the Association of American Universities (AAU), and ranked by U.S. News and World Report as one of the top public universities in the nation. More than 36,000 students are enrolled and are served by over 6,200 faculty and staff.

Iowa State University is a global and culturally diverse university committed to providing an inclusive, equitable, and diverse environment for both learning and employment. We know that diversity in experience and perspective is vital to advancing innovation, critical thinking, solving complex problems, and building an inclusive academic community. At Iowa State, we translate these values into action by seeking individuals who have experience working with diverse students, colleagues, and constituents. The university has an expectation that all employees will demonstrate a contribution to diversity and inclusion as embodied in [Iowa State University's Principles of Community](#).

Ames, Iowa is a progressive community of 60,000, located approximately 30 minutes north of Des Moines, and recently voted one of the [best college towns](#) in the nation.

Iowa State University is an equal opportunity employer committed to excellence through diversity and strongly encourages applications from all qualified applicants, including women, underrepresented populations, and veterans. ISU is responsive to the needs of dual career couples, is dedicated to work-life balance through an array of policies, and is an NSF ADVANCE institution.

All employees are expected to exhibit and convey good citizenship within the program, the department, college, university activities, collegial interactions, and maintain the highest standards of integrity and ethical behavior.
