Posted:	07/31/2019
Type:	Full-Time

Job no: 507864

About This Role:

The Instructor is responsible for course development, implementation and assessment and evaluation of course instruction. This position will be expected to teach classes in varying formats including face-to-face, online or hybrid classes. The instructor will also mentor undergraduate students, serve on departmental, college and university committees, as well as participate in student-related activities. Candidates should be able to develop instructional outcomes and provide a positive learning environment. The candidate will participate in student organizations, student competitions, and departmental development and promotion. The candidate must be an effective communicator and instructor, have demonstrated strong leadership and management skills along with a commitment to team building and continuous improvement, and possess the ability to work effectively with faculty, students, staff and industry.

Why Join Us:

The Department of Marketing currently consists of twelve faculty members serving over 300 marketing majors and over 50 sales majors. The culture of the department is extremely collegial. The AACSB accredited College of Business Administration is housed in a new state-of-the-art business building, which features office space, multimedia classrooms, and a world-class sales facility for role plays.

Kansas State University is located in Manhattan, KS in the rolling Flint Hills approximately 100 miles west of Kansas City. Manhattan has a population of 52,000 residents and student enrollment at KSU is more than 23,000 students. The surrounding area offers excellent opportunities for outdoor activities such as camping, boating, hunting, fishing, hiking, and biking. Mostly as a result of the university's influence, cultural and sporting events are at a level of frequency and quality unheard of by most cities this size. Further, Manhattan offers affordable housing, extremely strong elementary, middle, and high school

programs, and a crime rate one-half the national average. In short, Manhattan offers a variety of urban amenities yet retains the best qualities of a small university town. For more information, visit our Web site at: <http://www.cba.ksu.edu/marketing>.

This position is benefits eligible: health insurance, life insurance, retirement plans, tuition assistance program, paid time off-vacation, sick and holidays.
