list end date for  
position**

**Position Number**     F00376

**Location**     Dobbs Ferry

The School of Business at Mercy College (NY) invites applications for an Instructor / Visiting Professor /Assistant Professor of Business to begin in the Spring or Fall of 2020. All areas of specialization in Data Analytics will be considered, in addition to more traditional business courses, both at the graduate and undergraduate level. The ideal candidate will also contribute to the development and expansion of the analytics concentrations and programs that are offered at the School. The selected candidate will be expected to teach at Mercy's campuses in Dobbs Ferry, the Bronx and Manhattan.

A terminal degree (Ph.D, Ed.D or DBA) in Business or Management Sciences or Information Systems, or any related field is required. In addition to teaching, the candidate will provide a variety of service-related activities at the School of Business. Such services may include committee participation, recruiting new students and participating in other on and off-campus activities. The candidate must have industry experience in Business Analytics, as applied to concentration areas such as Finance, Management, and Marketing.

Applicants must send a complete application consisting of a cover letter addressing the qualifications; curriculum vitae; and copies of undergraduate and graduate transcripts (unofficial copies are acceptable for the purpose of application). Applicants must specify in their resume the tech skills, including online instruction and programming languages that they can teach. Finalists will be required to submit three current letters of reference. Applicants should apply via the
