

Faculty position in Marketing (all ranks)
Graduate School of Business
Nazarbayev University
gsb.nu.edu.kz

The Nazarbayev University Graduate School of Business (NUGSB) invites applications for faculty positions (all ranks) in Marketing. The successful candidates will have a cutting-edge research program, and show experience or potential to publish at top journals. Excellent teaching skills are also required. Candidates should have a PhD degree in Marketing or a relevant field from an accredited institution.

NUGSB has a small, but growing research oriented faculty. The faculty have received their PhDs from leading schools such as Cornell, Stanford, INSEAD, Washington University in St Louis, Purdue, University of Michigan, etc. The atmosphere at NUGSB is very collegial, supportive, and welcoming for the new members of our team.

The Graduate School of Business has a strategic partnership with Duke University's Fuqua School of Business, which is ranked as one of the best business schools internationally. Duke's Fuqua School of Business is also actively involved in recruiting and supporting NUGSB faculty in teaching and research activities. After the initial job interview, successful job candidates will be invited to the Fuqua School of Business for a campus visit.

Located in Astana, Nazarbayev University is a new Western-style, English-language research-oriented institution, created with the support of a number of leading universities around the world, including Cambridge University, Duke University, National University of Singapore, and University of Pennsylvania. The University aspires to become a world-class research-oriented university and provide the highest quality education in Kazakhstan and Central Asia.

Astana, the new capital of Kazakhstan, described as "brash and grandiose, and wildly attractive" by National Geographic and "the futuristic frontier of architecture" by the Guardian, hosted the EXPO 2017 across from the University. Rich in natural resources, Kazakhstan has experienced extraordinary economic growth since its independence from the Soviet Union more than two decades ago. The World Bank has also ranked Kazakhstan as one of the world's 20 top locations for direct foreign investment.
