## Assistant Professor of Business Administration

### Description

Assistant Professor of Business Administration: Business Analytics

The Department of Business Administration and Economics at Saint Mary's College invites applications for a tenure-track Assistant Professor of Business Administration: Business Analytics beginning in August 2019. Responsibilities include teaching three courses per semester, the ability to conduct independent and interdisciplinary research, advising, and service on College committees.

Saint Mary's College, the nation's premier Catholic women's college, was founded by the Sisters of Holy Cross in 1884 and is located in Notre Dame, Indiana. Its mission is to educate women in the liberal arts tradition, focusing on intellectual vigor, religious sensibility, aesthetic appreciation, and social responsibility. Saint Mary's College is an Equal Opportunity Employer. In keeping with the College's mission, Saint Mary's is committed to increasing its racial and ethnic diversity at all levels—students, faculty, and staff—and seeks applications from candidates who share this commitment.

Application procedure: Only complete applications will be reviewed and must include the following:

1. Letter of application
2. Curriculum vitae
3. At least three letters of reference
