Shenzhen Audencia Business School, Shenzhen University Faculty Position

Description

Descriptions:

The Shenzhen Audencia Business School (SABS) at Shenzhen University invites applications for tenure-track positions in the areas of quantitative marketing at all levels (assistant, associate, or full professor) starting in the fall of 2020. Candidates with research focus on big data, social network, machine learning, structural model, and Fintech are particularly welcome.

SABS, jointly established by Audencia Business School in France and Shenzhen University in China, is a highly international, creative and research-focused business school, offering comprehensive programs to serve the demand of China's top elites. All current faculties of SABS have research and/or teaching experiences overseas, and have published papers in top journals.

Requirements

Qualifications:

Candidates should have or are expected to complete a Ph.D. in related fields by September 2020. Candidates seeking tenured or senior fixed contract positions should demonstrate a capacity to publish world-class research in top journals and a record of teaching excellence.

Welfare & Salary:

Salary and benefits will be internationally competitive, commensurate with experience and academic accomplishments.
