Founded in 1969, Stockton University, New Jersey's Distinctive Public University, is one of America's most distinctive public universities, consistently ranking among the nation's finest educational institutions and among the top ten public Master's institutions in the Northeast. Stockton proudly offers the academic, technological, and cultural advantages of a large institution combined with the community spirit of a small liberal arts college. Stockton is noted for combining an outstanding interdisciplinary approach to graduate and undergraduate education with all the qualities of an outstanding employer. We offer a unique vibrant working environment, a wealth of work related opportunities and outstanding employee benefits. Stockton is committed to attracting, encouraging and retaining a qualified and diverse workforce to support the mission of the University. The University is located in the Pinelands National Reserve in southern New Jersey, about one hour from Philadelphia, two hours from New York City, three hours from the Baltimore/Washington area, and 20 minutes from Atlantic City. The University's location, active, stimulating campus life and diverse community make Stockton

University a great place to work!
