Our Prize Fellowships offer early-stage researchers the opportunity to join a cohort of like-minded rising research stars. These two-year research fellowships in our priority research areas are part of a scheme intended to fast-track fellows to a permanent appointment at Bath.

We are seeking 21 future academic leaders across a range of disciplines who will benefit from our well-resourced and supportive research environment.

As a member of this elite group, you will be on track to become a key member of our research community with a permanent academic position. Our supportive community successfully nurtures ambitious early stage researchers and provides for the requirements of their developing research programme. Read more about our [Prize Fellowships](#).

In the **School of Management** we will appoint **two** Fellows to further strengthen and develop areas of existing research excellence.

You will have an active research programme in at least one of the following areas:

- Operations Research
- Marketing

As part of your application you **must** provide:

- a completed application form
- an outline of your research plans over the next 3-5 years, showing how you will complement and enhance research within the research area (no more than 2 sides of A4, minimum font size 11)
- a CV
