University of Delaware

Assistant Professor of Marketing

Description

Teach both undergraduate and graduate (MBA) marketing analytics courses. Pursue research in marketing modeling/analytics or related area, engage in scholarly activities and provide services to the University and Department as needed.

The University of Delaware is an Equal Opportunity Employer that encourages applications from minority group members and women. Employment offers will be conditioned upon successful completion of a criminal background check. A conviction will not necessarily exclude you from employment. Candidates must be legally authorized to work in the United States.

Applicants are required to create and upload a single electronic document that includes: a cover letter, a curriculum vitae, evidence of scholarship (such as manuscripts, published papers, or papers/abstracts that have been presented at academic symposia).

Applicants should visit www.udel.edu/udjobs and read “Applicant Instructions” under “Resources for Applicants” before submitting their application.
