Posting Number	FAE963
Advertised Title	Assistant Professor
Campus Location	Main Campus (Memphis, TN)
Position Number	002277
Category	Full-Time Faculty
Department	Marketing Supply Management

Position Summary The Department of Marketing & Supply Chain Management in the Fogelman College of Business & Economics is seeking a tenure-track Assistant Professor of Marketing for fall 2020, pending available funding. The primary teaching responsibilities for this position will include in-person and online sections of undergraduate marketing analytics/marketing research, with future teaching responsibilities in graduate-level analytics and research methodology courses. The faculty member is expected to maintain a stream of quality research, participate in departmental activities, and fulfill professional and university service responsibilities.

Minimum Position Qualifications A Ph.D. in marketing or related discipline from an AACSB-accredited college of business is required. Effective college teaching experience, a commitment to teaching excellence, and evidence of strong research potential are required for Assistant Professor.
