Posting Summary: Click here for an example.	<p>The Darden School of Business at the University of Virginia invites applications for a post-doctoral scholar beginning in the fall of 2016. Applicants should have a PhD (or be near completion), in a social sciences discipline.</p> <p>The successful candidate will have the ability to assist faculty and students with their empirical research projects and conduct workshops on latest and critical empirical methods. This position will advise students and faculty on econometrics and computational statistics. The incumbent will assist the librarian with curation of research databases, and sourcing new research databases.</p> <p>***This is a two year assignment ending 6/30/2018</p> <p><i>For Thomas Jefferson, learning was an integral part of life. The "academical village" was created around the assumption that learning is a lifelong and shared process, and that interaction between scholars and students enlivens the pursuit of knowledge.</i></p> <p>University Human Resources strives to identify applicants who will contribute as high potential employees, leaders and managers. We employ individuals who foster and promote the University mission and purpose. Successful candidates exemplify uncommon integrity; they are honest, trusted, team-oriented and live the core values of the University. These candidates display great</p>
University Leadership	

Characteristics:	judgment, by practicing evidence-based decision-making. They are strategically focused by contributing to and achieving department goals and vision. They set high performance standards and hold themselves accountable by aggressively executing these standards. These employees also develop a deep passion for the University and the impact it has on students, faculty, alumni and community. Successful candidates identify their personal career goals and development opportunities, and as supervisors, help their staff do the same. They contribute to team success by leading talent, through their individual efforts and by leading and developing their teams.
