

**Michael G. Foster School of Business
University of Washington, Seattle**

The Michael G. Foster School of Business at the University of Washington invites applications for a faculty position in marketing. This appointment is in the Department of Marketing and International Business and is expected to be at the rank of Assistant Professor (tenure track) or Associate Professor (tenured). This position is full time (100% FTE) with a 9-month service period and is expected to begin September 2019.

Candidates must have a PhD or foreign equivalent in marketing, business or a related field. Duties include conducting high quality scholarly research (preferably in quantitative marketing) and effectively teaching marketing core and analytics courses at the undergraduate and graduate levels.

The Michael G. Foster School of Business at the University of Washington consistently ranks among the top business schools in the United States—for both undergraduate and graduate degrees. The Foster School serves more than 2,500 students. With one-in-four UW freshman applicants requesting business majors, demand for Foster School business education is significant and growing. For more information visit <https://foster.uw.edu>.

To apply, please send a letter of interest, curriculum vitae with bibliography, publications and/or working papers, and at least three reference letters to kithalex@uw.edu with subject line "MIB Faculty Search: [Your Name]". If unable to submit electronically, send materials to:

Mr. Alex Kith
University of Washington
Box 353226
Seattle, WA 98195

Questions pertaining to the application process, position, or disability accommodations can be addressed to Alex Kith (kithalex@uw.edu). Applications will begin to be reviewed July 15, 2018.

University of Washington is an affirmative action and equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, gender expression, national origin, age, protected veteran or disabled status, or genetic information.
