Vanderbilt Owen Graduate School of Management

Advanced Assistant/Associate Professor in Marketing

Description

The Owen Graduate School of Management at Vanderbilt University invites applications for one tenure-track or tenured faculty position at the rank of Assistant or Associate Professor in Marketing, starting August, 2017. Applicants must have a PhD or DBA in Marketing or related field from an AACSB accredited university. Advanced assistants and tenured or untenured associates will be considered. The candidate will be expected to conduct innovative, impactful research and teach marketing elective courses in the Owen MBA program and the Owen Master of Marketing program.

The Owen Graduate School of Management is focused on graduate management education. It has an enrollment of over 550 full-time students in its full-time MBA, Health Care MBA, Executive MBA (EMBA), Americas MBA for executives (AMBA), Master of Science in Finance (MSF), Masters of Accountancy (MAcc), MAcc Valuation, Master of Marketing (MMark), and Masters of Management in Health Care (MMHC) programs. The school's 48 full-time faculty members are actively engaged in research. Owen enrolls students from all parts of the U.S. and 35 countries. Vanderbilt University is an internationally recognized research university with a 333-acre campus located 1.5 miles from downtown Nashville. Home to more than 1.5 million people, the Nashville metropolitan area has over a dozen colleges and universities and features many cultural and recreational amenities including a symphony orchestra, professional sports, an extensive park system, and live music offerings across a broad variety of genres. Major industries include healthcare, publishing, insurance and finance, education, and entertainment. The city has been named one of the best U.S. cities for work and family by numerous national publications.

Requirements

Applicants must have a PhD or DBA in Marketing or related field from an AACSB accredited university. Advanced assistants and tenured or untenured associates will be considered. The candidate will be expected to conduct
