Summary of Duties This faculty position will teach (face-to-face and/or distance) courses in marketing, normal teaching load is six hours (2 courses per semester), be actively involved with doctoral education, maintain an active research program targeting the field's premier journals, make service contributions to his/her department, college, university, community, and profession, and help further the research and teaching mission of the Carson College of Business.

Additional Information View the [Benefits overview](#) for information regarding competitive benefits available.

Anticipated Start Date 08/16/2020

Tenure Track Yes

Full-Time/Part-Time Full Time

Appointment Status Permanent

Position Term in Months 9

Monthly Salary Commensurate upon qualifications and experience.

Required Qualifications Earned Ph.D. in Marketing or closely aligned field from a nationally or internationally recognized university by the time of hire and show potential for excellence in research and teaching. We are seeking candidates with an active program of research in Managerial/Marketing Strategy or related areas, including Selling and Sales Management, Interorganizational, or Services research. Assistant-level applicants should have a completed or nearly completed dissertation and clearly exhibit high potential for scholarly research targeted to the field's premier journals and effective teaching. Applicants with an established record of excellence in published scholarly research targeted to the field's premier journals and quality teaching will be considered for positions at the rank of associate or full professor. Advanced candidates should have experience directing doctoral students.

Preferred Qualifications The preferred candidate will demonstrate excellence in research in Marketing Strategy or related areas; capable of teaching marketing core and/or elective courses; demonstrate knowledge and excellence of teaching at the undergraduate level (for Assistant Professor) and/or MBA and Ph.D. courses (for Associate and Full Professor). Research interests need not be directly related to teaching areas. Evidence of participation in doctoral student

research and mentoring. Ability to teach digital marketing or related courses would be welcomed.
