

Antai College of Economics and Management (ACEM) at Shanghai Jiao Tong University (SJTU) invites applications for tenure-track positions in **Accounting, Data and Business Intelligence, Economics, Finance, Management Information Systems, Strategic Management, Management Science, Marketing, and Organization Management**. We wish to recruit new faculty members at all levels (Assistant Professor, Associate Professor, and Professor). We offer excellent research support and competitive compensation packages comparable to research schools in China and Asia. We seek applicants with strong research potential, as well as commitment and dedication to teaching. We enthusiastically invite scholars with an excellent record of research and teaching for senior positions.

01

QUALIFICATION

All candidates should have a Ph.D. or be fresh graduates in Accounting, Data and Business Intelligence, Economics, Finance, Management Information Systems, Strategic Management, Analytics, Statistics, Operations Management, Operations Research, Marketing, Organization Management, or other related disciplines. They are expected to have a strong commitment to research and teaching with evidence of publication potential and ability to teach in English or Chinese.

02

APPLICATION

All application materials should be submitted through our recruitment system (<http://mis.acem.sjtu.edu.cn/jszp/login.html>). Please fill in the online application form with your research fields specified.

Application package should include

- Cover letter;
- CV;
- Job market paper and samples of publication (if any);
- Statement of teaching philosophy and research plan (if any);
- Evidence of teaching performance (if any);
- Three letters of recommendation (submitted directly from the recommenders) for assistant and associate professor positions.

Deadlines for submission
